## Current Position

2020-present   Postdoctoral Fellow                      University of Pennsylvania

## Education

2020                      Ph.D. in Criminology  
                                 University of Pennsylvania  
                                 Dissertation: *The Effect of Lighting and Building Security on Crime*

2016                      M.S. in Criminology  
                                 University of Pennsylvania  
                                 Thesis: *Assessing the Effect of Hiring Standards on Minority Recruitment in Police*

2015                      B.S. in Criminal Justice  
                                 California State University, Sacramento

## Publications

## Columns and Interviews

- [Health officials failed to safeguard trust in Pa.’s coronavirus data, sowing confusion](#). June 17, 2020. Spotlight PA.
- [Data Is Key To Stopping COVID-19 Spread in Prisons](#) (with Oren Gur and Aaron Littman). May 3, 2020. Law360.

## Teaching Experience

### **Crime by the Numbers**

This book introduces the programming language R and is meant for undergrads or graduate students studying criminology. R is a programming language that is well-suited to the type of work frequently done in criminology - taking messy data and turning it into useful information. While R is a useful tool for many fields of study, this book focuses on the skills criminologists should know and uses crime data for the example data sets.

## Other Experience

- |             |   |
|-------------|---|
| 2018 - 2020 | <b>Data Scientist</b> , Private Consultant<br>Wrote and tested code to efficiently convert millions of pages of PDFs into a machine-readable format. Designed, implemented, and maintained a website that allows users to visualize this data at various levels of aggregation. |
| 2018        | <b>Data Scientist</b> , Fels Institute of Government, University of Pennsylvania.<br>Produced and tested code to convert voting records into a machine-readable data and built a prototype website to display this data.  |
| 2017 - 2018 | <b>Research Scientist</b> , National Archive of Criminal Justice Data (NACJD).<br>Wrote the Justice Data Learning Guide: No. 2, " <a href="#">Using the Law Enforcement Agency Identifiers Crosswalk (LEAIC)</a> ." This guide explains how to use the                          |

LEAIC dataset through an example incorporating both National Incident-Based Reporting System (NIBRS) data and US Census data. This guide includes code to use in both R and SPSS.

2016      **Research Assistant**, Dr. Emily Owens, University of Pennsylvania.  
Collected, cleaned, and prepared US Census data for analysis and visualization.

## Student Advising

2019-2020      Alec Bardey. Senior Honors Criminology Thesis (co-winner, J. Francis Finnegan Award). *The Effect of Localized LED Streetlight Replacements on Adjacent Crime: Evidence from Philadelphia*

## Presentations

“Street Light Outages, Public Safety and Crime Displacement: Evidence from Chicago”  
2020      Panel Paper, American Society of Criminology (Canceled due to COVID-19)

“Making UCR Data Accessible to Researchers”  
2019      Panel Paper, American Society of Criminology

"More Cops, Fewer Prisoners?"  
2019      Panel Paper, Western Society of Criminology  
2018      Panel Paper, Associations for Public Policy Analysis & Management

"Moonlight and Crime: A Quasi-Experimental Approach"  
2018      Roundtable, American Society of Criminology

"The Effect of Card Reader Locks on Theft on a University Campus"  
2018      Poster, Associations for Public Policy Analysis & Management  
2017      Poster, American Society of Criminology

## Manuscript Reviewer

Journal of Research in Crime & Delinquency  
Journal of Criminal Justice  
Security Journal

## Awards

2016-2020      Benjamin Franklin Graduate Fellowship, University of Pennsylvania  
2019      Dean's Travel Subvention, University of Pennsylvania  
2019      GAPSA Travel Grant, University of Pennsylvania  
2019      SASGOV Travel Grant, University of Pennsylvania

## Software

*fastDummies*:      R package for quickly and efficiently making binary columns out of categorical columns. It also fills in "dummy rows" for data sets missing

	rows of data based on all combinations of categorical and date columns. Available at <a href="https://jacobkap.github.io/fastDummies/">https://jacobkap.github.io/fastDummies/</a>
<i>caesar</i> :	R package to encrypt and decrypt strings using a simple Caesar cipher or a pseudorandom number generation. Available at <a href="https://jacobkap.github.io/caesar/">https://jacobkap.github.io/caesar/</a>
<i>asciiSetupReader</i> :	R package for reading fixed-width ASCII files that have an .sps or .sas setup file. It also allows users to quickly generate setup files. Available at <a href="https://jacobkap.github.io/asciiSetupReader/">https://jacobkap.github.io/asciiSetupReader/</a>
<i>meditations</i> :	R package that returns a random quote from Marcus Aurelius from his book Meditations. Available at <a href="https://jacobkap.github.io/meditations/">https://jacobkap.github.io/meditations/</a>
<i>predictrace</i> :	R package to predict the race of a surname using U.S. Census data which says how many people of each race has a certain surname. Available at <a href="https://jacobkap.github.io/predictrace/">https://jacobkap.github.io/predictrace/</a>
<i>crimeutils</i> :	R package to provide a set of helper functions to make common data tasks in criminology research - clean, explore, analyze, visualize – a bit easier. Available at <a href="https://jacobkap.github.io/crimeutils/">https://jacobkap.github.io/crimeutils/</a>
<i>phillydaodata</i> :	R package to download the publicly available data that the Philadelphia District Attorney's Office has released. Available at <a href="https://jacobkap.github.io/phillydaodata/">https://jacobkap.github.io/phillydaodata/</a>

## List of data collected, cleaned, and made publicly available

Annual Survey of Public Employment & Payroll (ASPEP) 1992-2016

Available at <https://doi.org/10.3886/E101399V6>

Annual Survey of State Government Finances 1992-2018

Available at <https://doi.org/10.3886/E101880V4>

Apparent Per Capita Alcohol Consumption: National, State, and Regional Trends 1977-2018

Available at <https://doi.org/10.3886/E105583V5>

California Department of Corrections Data

Available at <https://doi.org/10.3886/E108602V2>

California Jail Profile Survey 1995-2020
